

THE BLACK TIE OPTIONAL SHOW

A Tribute to Michael Bublé & Beyond

SWING · SOUL · MOTOWN · CLASSIC BALLADS

A TIMELESS EVENING

The Black Tie Optional Show is a polished 90-minute concert experience built around the music of Michael Bublé and The Great American Songbook that inspired his career. Fronted by charismatic lead vocalist Kerst J. Lehmann, and backed by a 7-piece live band, the show moves effortlessly from big-band swing to intimate ballads.

Audiences experience a night that feels both grand and personal.

This isn't your typical crooner band. It's a genuine performance: dynamic arrangements, real horns, and a frontman who steps off the stage frequently, turning the crowd into a part of the act.

THE SET LIST SPANS

*Feeling Good · Sway · My Cherie Amour · Let's Stay Together
Save the Last Dance for Me · Home · New York, New York
L-O-V-E · Rock With You & More*

From classic jazz ballads to Motown, standards, and swing, everyone's favorite songs will be played. By the end of the performance, no one stays seated.

Energy that fills the room — intimacy that fills the heart.

From the first downbeat the band brings the swagger of a Vegas big band; moments later the lights drop and a single ballad holds the audience in complete stillness. That contrast — the build and the hush — is the heart of the show.

The full live band — horns, rhythm section and singer.

From energetic to intimate.
